

Get Rewarded for Recycling!

We work to motivate people to recycle. Through a partnership with RecycleBank, we provide hundreds of thousands of households with meaningful savings with points, drive local economic development and support environmental protection. This program provides powerful reporting that tracks program results including participation rates, recycling rates, local economic impact, environmental impact and reward redemption.

Participation is easy.

RECYCLE - Place recyclable items in their containers for collection. We pick up the materials and record the amount recycled.

REDEEM - Just redeem the points earned in your account.

REWARD - Get rewards redeemable at over 1,500 local and national businesses.

Here are answers to some frequently asked questions about the program:

Who is eligible for this program?

Allied Waste residential customers in the Easton, Norton, and Bridgewater area are encouraged to participate.

What is it?

With RecycleBank, you earn points based on your recycling efforts.

- Recycle with Allied Waste as you normally do.
- When you and other Allied Waste customers in Easton, Norton and Bridgewater recycle, RecycleBank will award points in exchange for the material you recycle!
- You'll receive your share of points by reporting your participation—either online at www.RecycleBank.com or via mobile application or call toll free (888) 727-2978.
- Once you report, your points are deposited in your RecycleBank account. Log in at www.RecycleBank.com to check your points balance or to redeem points for rewards like gift cards and discounts on products and services from your favorite local businesses, restaurants and national retailers.

When will you hear about it?

Week of September 20

Residents will receive information in the mail from Allied Waste announcing the RecycleBank program...look for it!

Week of September 27

Residents will also receive instructions in the mail on how to register an individual RecycleBank household account. Register as soon as you receive your mailer and you'll start earning RecycleBank Points on the first pickup on October 4.

October 4

The RecycleBank program officially begins! If you have registered your RecycleBank account, you will begin earning RecycleBank Points when you report your recycling starting October 4.

Why should you participate?

The advantages of the RecycleBank rewards program include:

- Incentive to recycle by offering YOU valuable points in exchange for recycling efforts. It's free and easy to join!
- Reporting your recycling participation is easy too. Once you've registered, log in to www.RecycleBank.com each time you recycle and click the button that reads YES, I recycled this week. Watch how quickly your points add up.

- Redeeming RecycleBank Points for rewards can save residents money each time you shop at many national retailers and local businesses right here in the Fall River area!
- Redeeming RecycleBank Points generates economic dollars for local and regional businesses located in Fall River.
- Recycling is a critical step toward helping preserve our environment. Find tons of green information (and more ways to earn points) at www.RecycleBank.com.

How does it all work?

RECYCLE - Place recyclable items in their containers for collection. We pick up the materials and record the amount recycled.
